EAST WEST
MEDICAL COLLEGE

Leading Medical College *of the Country*

A Legacy of Excellence:

Established in 2000 by Alim Foundation and Aichi Medical Group, the institution has been serving the nation with distinction for over two decades. In 2022, it was further strengthened and rebranded under the visionary leadership of Aichi Healthcare Group.

Recognized and Accredited:

Approved by the Ministry of Health and Family Welfare, Bangladesh, affiliated with Dhaka University, and recognized by the Bangladesh Medical & Dental Council (BMDC), ensuring internationally accepted standards of medical education.

Global Recognition:

Listed with the World Health Organization (WHO) and the International Medical Education Directory (IMED), enabling graduates to pursue higher education and professional opportunities worldwide..

Prestigious Professional Affiliations:

Proud member of leading national and regional professional organizations, including the South Asian Regional Organization for Medical Councils (SARMC), Bangladesh College of Physicians and Surgeons (BCPS), and Bangladesh Private Medical College Association (BPMCA).

Academic Excellence and Innovation:

Our students benefit from highly qualified and experienced faculty members, renowned clinicians, and educators trained both nationally and internationally. Academic programs are continuously enhanced through collaboration with international technical and development partners, ensuring a modern, evidence-based learning environment.

Committed to Produce Future Healthcare Leaders:

We combine quality education, advanced clinical training, research opportunities, and ethical values to prepare competent, compassionate, and globally competitive medical professionals.

Preface

Bangladesh, home to a population of approximately 180 million people, is among the most densely populated countries in the world. The nation possesses a distinctive healthcare delivery system extending from the Ministry of Health and Family Welfare (MOH&FW) at the national level to Community Clinics at the grassroots level. Despite remarkable progress in health indicators, equitable access to quality healthcare services remains a challenge due to resource limitations and increasing healthcare demands. In this context, the participation of the private sector has become an essential component in strengthening the country's healthcare infrastructure.

With this vision, East West Medical College (EWMC), Dhaka, was established in 2000 at Turag, Dhaka, under the patronage of the Alim Foundation which rebranded as Aichi Healthcare Group, with due approval from the Ministry of Health and Family Welfare of the Government of the People's Republic of Bangladesh and affiliation with the University of Dhaka. The institution commenced its academic journey with an inaugural intake of 50 students. Over the years, EWMC has evolved into a reputable center for medical education and healthcare services. At present, the college admits 127 students annually through the central Medical Admission Test, and the 23rd MBBS batch has been enrolled for the academic session 2025–2026.

East West Medical College has developed a strong international academic environment, with 45% of its seats are allocated for overseas students. Currently, the institution hosts students from Nepal, Maldives, and various regions of India (Jammu and Kashmir, Assam, Uttar Pradesh, Bihar, West Bengal) thereby fostering a multicultural and globally oriented learning atmosphere.

To support its academic mission and clinical training, East West Medical College is complemented by a modern 700 beds tertiary teaching hospital located within the same campus. East West Medical College Hospital is equipped with advanced facilities and provides comprehensive healthcare services encompassing both general and specialized disciplines. The hospital houses state-of-the-art, Intensive Care Unit (ICU), Coronary Care Unit (CCU), Neonatal Intensive Care Unit (NICU), High Dependency Unit (HDU), and Dialysis Unit.

In addition to the core disciplines of Medicine, Surgery, Obstetrics and Gynaecology. The hospital offers a broad range of specialized services, including Neuromedicine, Cardiology, Paediatrics, Nephrology, Dermatology, Psychiatry, Physical Medicine, Ophthalmology, Otolaryngology and Head-Neck Surgery, Neurosurgery, Orthopaedics, Urology, Transfusion Medicine, Radiology & Imaging and MCH & Family Planning. These services are delivered round the clock by dedicated professionals with a commitment to quality, affordability, and patient-centered care.

As part of its strategic vision for the future, EWMC Hospital is expanding its specialized healthcare capabilities through the establishment of a dedicated Cardiac Centre, Trauma Centre, Stroke Centre, and Kidney Transplant Centre. These initiatives are expected to become operational in the coming years, further strengthening the institution's capacity to deliver advanced, world-class healthcare services to the people of Bangladesh.

At East West Medical College, we are committed to nurturing excellence in medical education, clinical practice, and research while upholding the highest standards of professionalism, ethics and cultural values. During its distinguished journey spanning over twenty-six years, the institution has successfully contributed to the development of competent healthcare professionals serving both national and international communities.

Prospective students are warmly invited to become part of this vibrant academic community. Through a rigorous five-year MBBS curriculum, extensive clinical exposure and an inspiring learning environment, East West Medical College aims to develop compassionate, competent and skilled physicians dedicated to serve humanity with integrity, empathy and excellence.

Mission

Our Mission is:

- To improve access to Quality Health Education.
 - ✦ To establish a global standard of integrated health care education in Bangladesh
 - ✦ To promote or organize programs for the furtherance of Continued Health Education, research, and Training for Health Professionals.
 - ✦ To develop future leaders in the field of health sciences who are competent in addressing ethical and professional issues, efficient, authentic, and values-driven, and who will contribute to the global health system.
 - ✦ To increase access to Quality Healthcare for Underserved Populations.

This mission will be fulfilled through commitment to the values of quality and excellence, collaboration, confidentiality, respect and compassion, integrity, responsibility, diversity and community service.

Vision:

We firmly intend to graduate physicians of tomorrow who will prove to be socially responsible leaders in the evolution of health care management and will be committed to improving overall health status locally, regionally and globally. Our talented graduates will be prepared for and encouraged to provide culturally compatible care, especially in rural and medically underserved areas.

Goals:

To produce competent, compassionate, reflective, and dedicated healthcare professionals who:

- Prioritize patient safety and well-being as their foremost responsibility.
- Foster and maintain respectful and collaborative relationships with patients, attendants, and colleagues.

মিশন

আমাদের মিশন হলো-

মানসম্মত স্বাস্থ্য শিক্ষা প্রাপ্তির সুযোগ সৃষ্টি করা।

- বাংলাদেশে সমন্বিত স্বাস্থ্যসেবা শিক্ষার একটি আন্তর্জাতিক মান প্রতিষ্ঠা করা।
- স্বাস্থ্য সেবায় নিয়োজিত পেশাজীবীদের জন্য ধারাবাহিক শিক্ষা (Continuing Health Education), গবেষণা ও প্রশিক্ষণ কার্যক্রম পরিচালনা ও উৎসাহিত করা।
- এমন ভবিষ্যৎ স্বাস্থ্যবিজ্ঞানী ও চিকিৎসক তৈরি করা, যারা নৈতিকতা ও পেশাগত মানদণ্ডে দৃঢ়, দক্ষ, সৎ, মূল্যবোধসম্পন্ন এবং বৈশ্বিক স্বাস্থ্যব্যবস্থায় অবদান রাখতে সক্ষম।
- অবহেলিত ও সুবিধাবঞ্চিত জনগোষ্ঠীর জন্য মানসম্মত স্বাস্থ্যসেবার প্রাপ্যতা বৃদ্ধি করা।

এই মিশন বাস্তবায়নে আমরা নিম্নোক্ত মূল্যবোধের প্রতি প্রতিশ্রুতিবদ্ধ-গুণগত মান ও উৎকর্ষতা, সহযোগিতা, গোপনীয়তা রক্ষা, পারস্পরিক সম্মান ও সহমর্মিতা, সততা, দায়িত্ববোধ, রোগ ও রোগীদের বৈচিত্র্যের প্রতি শ্রদ্ধাবোধ এবং সমাজসেবা।

ভিশনঃ

আমাদের ভিশন হলো এমন চিকিৎসক তৈরি করা, যারা ভবিষ্যতের স্বাস্থ্যসেবা ব্যবস্থাপনায় সামাজিকভাবে দায়িত্বশীল নেতৃত্ব প্রদান করবে এবং স্থানীয়, আঞ্চলিক ও বৈশ্বিক পর্যায়ে সামগ্রিক স্বাস্থ্যমান উন্নয়নে প্রতিশ্রুতিবদ্ধ থাকবে।

আমাদের চিকিৎসকরা হবে দক্ষ, মানবিক ও সংস্কৃতি সচেতন; তারা বিশেষত গ্রামীণ ও চিকিৎসাসেবাবঞ্চিত এলাকায় উপযোগী ও মানানসই স্বাস্থ্যসেবা প্রদান করতে সক্ষম হবে।

লক্ষ্যঃ

আমাদের লক্ষ্য হলো এমন দক্ষ, সহানুভূতিশীল, আত্মবিশ্লেষণী ও নিবেদিতপ্রাণ স্বাস্থ্যসেবা পেশাজীবী তৈরি করা, যারা-

- রোগীর নিরাপত্তা ও কল্যাণকে সর্বোচ্চ অগ্রাধিকার দেবে।

- Demonstrate honesty, trustworthiness, and act with the highest standards of integrity.
- Possess the capability to manage common diseases and health issues prevalent in the country, with a commitment to serving communities, particularly those in rural areas.
- Establish a strong foundation for future training, service, and research at both national and international levels.
- Remain committed to continuous learning by engaging in Continuous Professional Development (CPD) throughout their professional careers.

Aim:

The aim of East West Medical College is to educate and train selected students over five academic years to obtain the MBBS degree under the guidance of dedicated and highly qualified faculty. The college strives to produce competent medical graduates who can effectively serve the healthcare needs of the population, particularly through a community-oriented medical education approach.

Our objectives include:

- Preparing graduates who are capable of addressing the health needs of diverse populations in both rural and urban settings.
- Offering training programs for young doctors and healthcare staff to enhance their skills and knowledge.
- Providing opportunities for postgraduate education and research to develop highly qualified specialists.

Fulfilling the responsibility of delivering both preventive and curative healthcare services to the people of Bangladesh.

- রোগী, স্বজন এবং সহকর্মীদের সঙ্গে সম্মানজনক ও সহযোগিতামূলক সম্পর্ক গড়ে তুলবে ও বজায় রাখবে।
- সততা, বিশ্বস্ততা ও সর্বোচ্চ নৈতিক মান বজায় রেখে কাজ করবে।
- দেশের প্রচলিত সাধারণ রোগ ও স্বাস্থ্য সমস্যা দক্ষতার সঙ্গে মোকাবিলা করতে সক্ষম হবে এবং বিশেষত গ্রামীণ জনগোষ্ঠীর সেবায় নিয়োজিত থাকবে।
- জাতীয় ও আন্তর্জাতিক পর্যায়ে ভবিষ্যৎ প্রশিক্ষণ, সেবা ও গবেষণার জন্য একটি শক্ত ভিত্তি গড়ে তুলবে।
- পেশাগত জীবনের পুরো সময় জুড়ে ধারাবাহিক পেশাগত উন্নয়ন (Continuous Professional Development -CPD)-এর মাধ্যমে নিজেকে উন্নত রাখতে প্রতিশ্রুতিবদ্ধ থাকবে।

উদ্দেশ্যঃ

ইস্ট-ওয়েস্ট মেডিকেল কলেজের উদ্দেশ্য হলো পাঁচ বছর মেয়াদি একাডেমিক কার্যক্রমের মাধ্যমে নির্বাচিত শিক্ষার্থীদের দক্ষ ও যোগ্য শিক্ষকমণ্ডলীর তত্ত্বাবধানে এমবিবিএস ডিগ্রি অর্জনের জন্য শিক্ষা ও প্রশিক্ষণ প্রদান করা।

এই প্রতিষ্ঠান এমন চিকিৎসক তৈরি করতে বদ্ধ পরিকর, যারা জনগণের স্বাস্থ্যসেবা চাহিদা দক্ষতার সঙ্গে পূরণ করতে সক্ষম হবে, বিশেষত কমিউনিটি-ভিত্তিক চিকিৎসা শিক্ষা (Community-Oriented Medical Education) পদ্ধতির মাধ্যমে।

আমাদের নির্দিষ্ট উদ্দেশ্যসমূহ হলো-

- গ্রামীণ ও শহুরে উভয় পরিবেশে বিভিন্ন জনগোষ্ঠীর স্বাস্থ্য চাহিদা পূরণে সক্ষম দক্ষ চিকিৎসক তৈরি করা।
- নবীন চিকিৎসক ও স্বাস্থ্যকর্মীদের দক্ষতা ও জ্ঞান বৃদ্ধি করার জন্য প্রশিক্ষণ কর্মসূচি পরিচালনা করা।
- উচ্চতর শিক্ষা ও গবেষণার সুযোগ সৃষ্টি করে বিশেষজ্ঞ চিকিৎসক গড়ে তোলা।
- বাংলাদেশের জনগণের জন্য প্রতিরোধমূলক (Preventive) ও চিকিৎসামূলক (Curative) উভয় ধরনের স্বাস্থ্যসেবা প্রদান করা আমাদের অন্যতম দায়িত্ব।

● *Message* ● *from the Desk of Chairman*

East West Medical College stands as one of the distinguished institutions in the private sector of medical education, committed to fostering a new generation of competent, ethical, and socially responsible physicians. Guided by the enduring principles of discipline, academic rigor, professionalism, and excellence, the College aspires to cultivate medical graduates equipped to address the evolving healthcare needs of society through evidence-based practice, innovation, and compassionate service.

Since its establishment, East West Medical College has nurtured a vibrant academic community where students, faculty members, and administrative personnel work collaboratively in pursuit of scholarly excellence and professional development. The remarkable achievements of the institution over the years bear testimony to its unwavering commitment to quality medical education, institutional advancement, and continuous improvement.

At the heart of the College's educational philosophy lies a learner-centered approach that encourages intellectual curiosity, critical inquiry, and lifelong learning. Students are inspired to engage enthusiastically in their academic pursuits within an environment that promotes scientific exploration, ethical values, and holistic personal growth. Our dedicated faculty members employ contemporary pedagogical strategies while preserving the strengths of traditional medical education, thereby ensuring that teaching and learning remain aligned with global trends, emerging technologies, and advances in biomedical sciences.

East West Medical College offers a dynamic and supportive learning environment enriched by modern educational resources, advanced teaching facilities, and comprehensive clinical exposure. Under the mentorship of highly qualified, experienced, and committed educators, students actively participate in the acquisition of knowledge, development of clinical competencies, and refinement of professional skills essential for excellence in medical practice and research.

We firmly believe that the educational journey undertaken at East West Medical College extends beyond the attainment of academic qualifications; it is a transformative experience that shapes future leaders in healthcare. We encourage our students to embrace the opportunities afforded by campus life with enthusiasm, dedication, and a steadfast commitment to excellence, integrity, and service to humanity.

As you embark upon this rewarding journey, I am confident that East West Medical College will provide the inspiration, guidance, and opportunities necessary for you to realize your fullest potential and contribute meaningfully to the advancement of healthcare at both national and international levels.

May Almighty Allah bestow upon your wisdom, perseverance, and success in all your future endeavors.

Prof. Dr. Md. Moazzem Hossain, MBBS, Ph D
Chairman
East West Medical College

Message from Managing Director

It is a matter of immense pride and privilege to present East West Medical College (EWMC) as a vibrant academic community dedicated to excellence in medical education, research, innovation, and service. Situated within a modern and inspiring campus environment, EWMC is committed to nurturing future healthcare leaders equipped with the knowledge, skills, ethical values, and professional competencies required to meet the evolving challenges of contemporary medicine.

Driven by a steadfast commitment to national development and global health priorities, the College strives to produce highly qualified, compassionate, and socially accountable medical professionals capable of contributing meaningfully to the advancement of healthcare. In alignment with the universal aspiration of “Health for All,” EWMC recognizes the pivotal role of private medical institutions in complementing governmental initiatives and strengthening the healthcare system through collaborative partnerships, while upholding the highest standards of academic integrity and clinical excellence.

At EWMC, academic distinction is fostered through an environment that values intellectual inquiry, academic freedom, innovation, creativity, and evidence-based practice. The collective dedication of our governing body, faculty members, clinicians, researchers, and administrative staff has enabled the institution to cultivate a culture of continuous quality improvement and scholarly achievement. Our integrated approach to medical education emphasizes experiential learning, clinical exposure, research engagement, and hands-on training, ensuring that graduates are well prepared to excel in an increasingly complex and dynamic healthcare landscape.

As we look toward the future, EWMC remains committed to establishing itself as a benchmark institution among private medical colleges in Bangladesh and beyond. Through excellence in teaching, research, knowledge dissemination, and community engagement, we seek to contribute not only to the development of competent healthcare professionals but also to the creation of a resilient, equitable, and patient-centered healthcare system.

As a socially responsible institution, East West Medical College is dedicated to empowering its students to become lifelong learners, innovative thinkers, and compassionate caregivers who will serve humanity with integrity, professionalism, and a profound sense of responsibility.

We warmly welcome aspiring medical professionals to become part of the EWMC family and join us in our shared pursuit of excellence in medical education, scientific advancement, and service to society.

Ulfat Jahan Moon
Managing Director
East West Medical College

● *Message* ● *from Finance Director*

East West Medical College & Hospital was established under the auspices of the Alim Foundation (established in 2000) and rebranded under Aichi Health Care Group with a vision to advance medical education, healthcare delivery, and human resource development in response to the evolving healthcare needs of Bangladesh. Since its inception, the institution has remained committed to producing competent, ethical, and socially accountable healthcare professionals through excellence in education, clinical training, research, and community engagement.

Situated on a purpose-built campus with dedicated academic and healthcare facilities, the institution offers an environment conducive to learning, innovation, and professional growth. The campus is equipped with modern lecture theatres, technologically enhanced classrooms, practical laboratories, departmental museums, an enriched library, reading spaces, and faculty support facilities. In addition, students benefit from a comprehensive range of amenities including residential and recreational facilities, a cafeteria, a mosque, and separate common rooms for male and female students, fostering a balanced and supportive academic experience.

East West Medical College is affiliated with the University of Dhaka, approved by the Government of the People's Republic of Bangladesh, and recognized by the Bangladesh Medical and Dental Council (BM&DC). The institution is listed in internationally recognized medical education directories through the World Directory of Medical Schools (WDOMS) and is associated with the Foundation for Advancement of International Medical Education and Research (FAIMER), reflecting its commitment to maintaining standards consistent with global medical education practices.

The College offers a comprehensive five-year MBBS programme encompassing both basic and clinical sciences. Foundational disciplines such as Anatomy, Physiology, Biochemistry, Community Medicine, Forensic Medicine, Pathology, Microbiology, and Pharmacology are integrated with extensive clinical instruction in Medicine, Pediatrics, Psychiatry, Dermatology, Surgery, Ophthalmology, Otorhinolaryngology (ENT), Orthopedics, and Obstetrics and Gynecology. The curriculum is designed to promote competency-based learning, critical thinking, clinical excellence, and lifelong professional development.

Guided by the strategic oversight of the Aichi Health Care Group and the Governing Body, East West Medical College continuously pursues academic advancement, institutional quality enhancement, and infrastructure development. The affiliated teaching hospital has also been accredited by the Bangladesh College of Physicians and Surgeons (BCPS) for postgraduate training in multiple specialties, further strengthening its role as a center of excellence in medical education and specialist training.

As we continue our pursuit of academic distinction and healthcare innovation, East West Medical College remains steadfast in its mission to contribute meaningfully to national health priorities while preparing graduates capable of serving both local communities and the global healthcare landscape with competence, integrity, and compassion.

Md. Mostak Hossain

Director, Finance & Administration
East West Medical College

Message from Principal

Principal

East West Medical College
Vice President
Bangladesh Medical & Dental Council
Former Director, NIPSOM
Ex-Vice President, BMRC

It gives me great pleasure to welcome the forthcoming new batch of students at EWMC. We assure you that our team would do all the possible options to shape your future in line with the ever-changing development. East West Medical College has been established with a vision to impart quality medical education. It is located in a quiet and spacious location near Uttara. The students are selected strictly on merit basis which ultimately explains the good result exhibited by our students in Professional examinations.

We endeavor to provide the best facilities in terms of faculty, equipment and accommodation. EWMC is recognized by BM&DC, MOH & Family Welfare and BCPS. EWMC is affiliated with the University of Dhaka. Our college is also enlisted with WHO, IMED and FAIMER. Wish you all a bright future.

Prof. Dr. Md. Zaforullah Chowdhury

Message from Vice Principal

Vice Principal
East West Medical College & Hospital

It gives me great pleasure to welcome you to our Medical College, which is dedicated to providing compassionate healthcare, high-quality medical education, and research. Our mission is to prepare future physicians with the greatest standards of ethics, professionalism, and humanity in addition to exceptional academic knowledge and clinical ability.

The wonderful profession of medicine demands lifelong learning, devotion, and a genuine desire to serve society. Our college aims to establish a vibrant learning atmosphere where students are inspired to think critically, welcome innovation, and acquire the abilities required to handle the changing demands of contemporary healthcare.

Our experienced faculty members, well-equipped classrooms, and extensive clinical training programs guarantee that students obtain a well-rounded education that combines scientific knowledge with real-world experience. In order to prepare our graduates to become capable healthcare professionals who can make significant contributions at the national and international levels, we also place a strong emphasis on research, community engagement, leadership, and teamwork.

We believe that every student has the potential to excel when guided with dedication and supported by an inspiring academic environment. We encourage our students to uphold the values of integrity, empathy, respect, and social responsibility throughout their professional journey.

All potential students are cordially invited to join our academic community. Let's strive for excellence in medical education as a team and work toward the common objective of improving the health and well-being of humanity.

I wish you every success in your academic and professional endeavors.

Prof. Dr. Fayeza Karim

Message from Director

Director - Hospital
East West Medical College & Hospital

Welcome to the beginning of a journey that is as challenging as it is noble. You are entering a profession that is undoubtedly demanding, but profoundly noble—a duty toward the society that nurtures us and a tribute to those who raised us.

To us, our doctors are the lifeblood of this profession. We recognize that the road to walk is rigorous, and there will be moments of significant challenge. Yet, it is essential to hold on to this perspective: the hardships faced today are the foundations of the skills that will make you someone's lifeline tomorrow.

Our environment is built to be dynamic, offering a space where curiosity is met with real-world exposure. We believe in providing the agency for every individual to shine, creating an atmosphere where you can learn alongside the best. In our view, patients are like our own family; therefore, it is our duty as professionals to provide caring, high-quality healthcare—the same standard one would demand for their own parents, siblings, or children.

Professional excellence is rarely a solitary endeavor. True success in healthcare relies on seamless cooperation and coordination between departments and peers. We succeed when we work together, keeping the patient at the center of every decision.

My door is open to those who approach their work with sincerity and heart. We are committed to supporting growth, mentoring development, and helping to transform the weight of professional responsibility into a lifetime of honorable service.

It is a privilege to see the dedicated professionals who emerge from this journey.

Brig. Gen. (Retd.) Dr. Md. Abdullah Al Jobair

Message from Director Administration (Hospital)

Admin - Director
East West Medical College & Hospital

Warm greetings to all prospective students, parents, and patrons. It is my distinct privilege to welcome you to East West Medical College & Hospital (EWMCH). Choosing where to pursue your medical education is one of the most significant decisions of your life, and we are honored that you are considering embarking on this noble journey with us.

At EWMCH, our mission goes beyond teaching textbooks; we are deeply committed to nurturing compassionate, ethically grounded, and highly competent healthcare professionals. As the administrative backbone of this institution, our priority is to ensure an ecosystem where academic excellence blends seamlessly with world-class clinical exposure.

We take pride in providing a campus equipped with state-of-the-art laboratories, modern lecture galleries, a rich digital library, and comprehensive digital learning tools. Our modern hospital facility serves as a vital training ground, offering students hands-on clinical experience with a diverse patient demographic, ensuring you graduate not just with a degree, but with true clinical confidence.

Beyond academics, we maintain a vibrant, safe, and inclusive campus life that encourages research, extracurricular activities, and personal growth. Our dedicated administrative team works tirelessly behind the scenes to maintain a disciplined, supportive, and student-centric environment.

By joining East West Medical College, you are choosing to become part of a legacy dedicated to serving humanity. We promise to provide the resources, mentorship, and environment you need to realize your full potential as a healer of tomorrow.

I wish you the very best in your academic pursuits and look forward to welcoming you into the East West family.

Tasnim Alim Akemi

Message from Deputy Director (Hospital)

Deputy Director- Office of Chairman
East West Medical College

It is with great pride and a profound sense of responsibility that I welcome you to East West Medical College & Hospital, a distinguished institution dedicated to excellence in medical education, clinical service, research, and community engagement. As we continue to advance our vision of producing future-ready physicians, we remain committed to nurturing graduates who combine scientific excellence with compassion, integrity, and professionalism.

Medicine is a dynamic and ever-evolving profession that demands intellectual curiosity, ethical judgment, resilience, and a lifelong commitment to learning. At East West Medical College & Hospital, we have cultivated an academic environment where students are encouraged to think critically, embrace innovation, and develop the clinical competence necessary to address the healthcare challenges of both today and tomorrow.

Our comprehensive curriculum is supported by highly accomplished faculty members, modern teaching methodologies, advanced laboratories, simulation-based learning, digital educational resources, and extensive clinical training within our tertiary care teaching hospital. By integrating evidence-based medicine, research, interdisciplinary collaboration, and emerging healthcare technologies into our educational framework, we prepare our students to excel in an increasingly interconnected global healthcare landscape.

Beyond academic achievement, we place equal emphasis on character development, leadership, communication, and social responsibility. Through research opportunities, community health initiatives, extracurricular activities, and professional development programmes, our students are inspired to become compassionate healthcare leaders who serve society with dedication and humanity.

As Deputy Director, I am honored to work alongside a committed team of educators, clinicians, and administrators who continually strive to uphold the highest standards of quality, accountability, and continuous improvement. Together, we are building an institution where academic excellence, innovation, and patient-centred care flourish in harmony.

I warmly invite aspiring medical professionals to become part of the East West Medical College & Hospital family. Here, you will find an inspiring environment that empowers you to achieve your fullest potential and prepares you to make meaningful contributions to healthcare, both nationally and internationally.

I wish you every success as you embark on this noble and rewarding journey in medicine.

Dr. Md. Jahidul Islam

Message from Editor In Chief, East West Medical College Journal

Editor In Chief
East West Medical College Journal

Warm greetings to all prospective students, parents, and well-wishers. It is a privilege to welcome you to East West Medical College & Hospital (EWMCH). Choosing the right medical college is one of the most important decisions in your life, and we are honored that you are considering joining an institution committed to academic excellence, clinical expertise, research, and compassionate healthcare.

East West Medical College has established itself as one of Bangladesh's leading private medical institutions by providing high-quality medical education, modern healthcare facilities, and an inspiring environment for learning, innovation, and professional development. Alongside excellence in teaching and patient care, the College strongly promotes research and evidence-based medical practice.

As the Editor-in-Chief, I am proud that the East West Medical College Journal (EWMCHJ) serves as the official scientific journal of the institution. EWMCHJ is a BM&DC-recognized, double-blind, peer-reviewed, open-access journal published biannually. It follows the recommendations of the International Committee of Medical Journal Editors (ICMJE) and the Journal Publishing Practices and Standards (JPPS) framework, ensuring the highest standards of scientific integrity and publication ethics. The journal is indexed in several international databases, including Google Scholar, Crossref, OpenAlex, ORCID, Scilit, ROAD, GARUDA, DRJI, and ResearchGate, with ongoing evaluation for inclusion in DOAJ, Web of Science, and PubMed.

Research is an integral part of student life at East West Medical College. From the first year, students are encouraged to engage in research under experienced faculty mentors, creating opportunities for scientific publications, international collaborations, postgraduate training, and higher education abroad.

We are committed to nurturing competent, compassionate, and globally competitive physicians who will lead the future of healthcare. I warmly welcome you to the East West family and wish you every success in your medical career.

Dr. Md. Humayun Rashid

Aichi Health Care Group

Aichi Healthcare Group was established by Prof. Dr. Md Moazzem Hossain with a clear vision to contribute meaningfully to the healthcare and medical education sector of Bangladesh by delivering quality, accessible, and ethically driven health services. Since its inception, the Group has been committed to developing a comprehensive healthcare ecosystem that integrates patient care, medical education, nursing education, and dental education under one coordinated platform.

The journey of Aichi Healthcare Group began with the belief that sustainable healthcare development requires strong institutions, skilled professionals, and modern facilities. Guided by this philosophy, the Group has steadily expanded its operations through the establishment of four key sister concerns, each playing a distinct and vital role in advancing healthcare excellence.

Aichi Hospital Ltd. was founded by Prof. Dr. Md Moazzem Hossain who had completed a Ph.D. in Pediatric Surgery from the Graduate School of Medicine in Nagoya University, Japan in Conjunction with the active support by JBCS (Japan Bangladesh Cooperation Society in the year of 1996 to provide patient-centered, affordable, and quality clinical services, supported by modern medical technology and a team of dedicated healthcare professionals.

East West Medical College & Hospital was established to address the growing need for competent medical graduates and tertiary-level healthcare services. As a teaching hospital, it integrates academic excellence with hands-on clinical training and comprehensive patient care.

Update Dental College- A leading Private Dental College & Hospital in Dhaka, Bangladesh

Update Dental College & Hospital (UpDCH) is a modern, friendly and dynamic best Private Dental College and a Centre of excellence for Dental Education in Dhaka, Bangladesh. The college is approved by the Government of Bangladesh, Ministry of Health & Family Planning (MHFP) and is affiliated with the University of Dhaka. UpDCH has sophisticated equipment's using the latest technology with International standards for meeting the requirements of the students and for Outpatient department services. The college commits to producing quality Dental professionals for the future generation with a sense of responsibility for the welfare of the society.

East West Nursing College & Institute was founded to strengthen the nursing workforce by producing well-trained, compassionate, and professionally competent nurses and healthcare assistants who serve as the backbone of the healthcare system. Established in 2011, East West Nursing College & Institute (EWNC & NI) is approved by the Government of the People's Republic of Bangladesh, affiliated with the University of Dhaka, and recognized by the Bangladesh Nursing & Midwifery Council (BNMC).

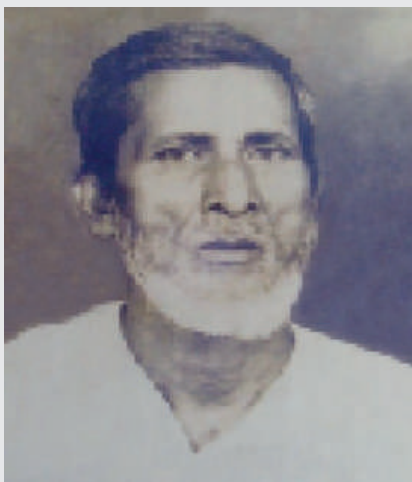

Together, these sister concerns reflect the holistic vision of Aichi Healthcare Group which had been officially inaugurated in the year of 2022 to improve community health outcomes, develop human resources for health, and set benchmarks in medical education and healthcare service delivery. The Group continues to grow with a strong commitment to quality, integrity, innovation, and social responsibility.

In Honorable Remembrance

We gratefully commemorate

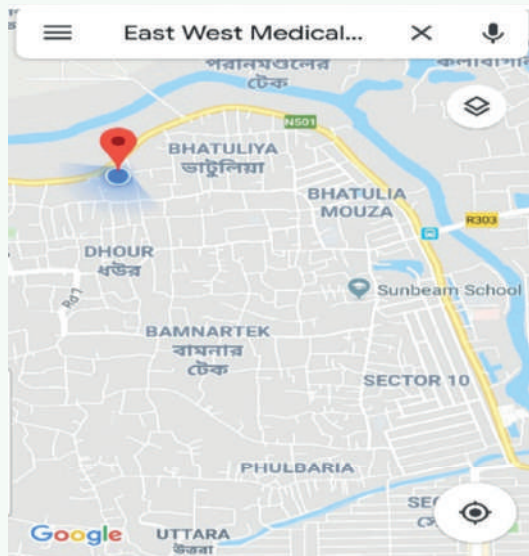

Abdul Alim Mia, a distinguished philanthropist and dedicated social worker, born in 1926 in Nagarkanda, Faridpur. He completed his Matriculation from M.N. Academy, Nagarkanda, and obtained a Diploma in Health Science in 1948. He served for many years as an esteemed member of the Governing Body of M.N. Academy and was widely respected for his unwavering commitment to humanitarian service and community development. His contributions during the Liberation War of Bangladesh in 1971, where he played an active and courageous role as a freedom fighter, remain unforgettable. He devoted his entire life to the welfare of underprivileged and marginalized populations. He was blessed with six sons and two daughters, among whom Prof. Dr. Md. Moazzem Hossain, Founder Chairman of Aichi Health Care Group, is his second son. Mr. Abdul Alim Mia passed away in 1979, leaving behind a legacy of compassion and service.

We also fondly remember Kaniz Tania Sweety, one of the founding Directors of the former Alim Foundation and the Managing Director of East West Medical College. Born on July 1, 1970, she completed her graduation from the Home Economics College, Dhaka, in 1990. Following her marriage to Prof. Dr. Md. Moazzem Hossain, she pursued higher studies in Hospital Management in Nagoya, Japan. She later became the Founder Director of Aichi Hospital, Uttara, and dedicated her life to serving the poor, vulnerable, and distressed populations. As a key architect and driving force behind the establishment of East West Medical College & Hospital, her contributions remain invaluable. She passed away on July 16, 2009, leaving a lasting impact on the institution and the wider healthcare community.

Our Geo Location

East West Medical College is strategically located at Dhour, Nishat Nagar, Turag, Dhaka, in a serene riverside setting on the banks of the Turag River, adjacent to Uttara Sector-10. The campus enjoys excellent connectivity through major road networks, providing convenient access from all parts of Dhaka. It is situated only about 5 km (approximately 15–20 minutes' drive) from Hazrat Shahjalal International Airport, making it readily accessible for both local and international students, faculty, and visitors. The nearby Dhaka–Ashulia Elevated Expressway further enhances connectivity by offering a fast and efficient route to the campus. Surrounded by lush greenery and a peaceful environment, the college provides an ideal setting for medical education, clinical training, research, and professional development.

Hospital Capabilities:

- Total bed : 700
- Bed Occupancy Rate : 70.3%
- Operational bed : 635
- General bed : 338
- Cabin : 145
- Patients Room : 152
- Others (ICU, CCU, HDU, NICU, PICU, Dialysis, Emergency) = 135
- Free bed : 51 (Specified with Mark)
- The outdoor patient is on average 550 – 650 per day
- The indoor patient is on average of 350 - 400 per day

Recognitions, Affiliations & International Recognition

World Health Organization

East West Medical College (EWMC) is a premier private medical institution in Bangladesh, committed to excellence in medical education, clinical training, research, and healthcare service. The College is recognized by the relevant national regulatory authorities and enjoys international visibility through globally acknowledged medical education directories and organizations.

- Affiliated with the **University of Dhaka**, ensuring that the MBBS curriculum, examinations, and degree are administered under one of Bangladesh's leading public universities.
- Approved by the **Ministry of Health and Family Welfare**, Government of the People's Republic of Bangladesh.
- Recognized by the **Bangladesh Medical and Dental Council (BM&DC)**, the statutory authority responsible for regulating medical education and professional registration in Bangladesh.
- Listed in the **World Directory of Medical Schools (WDOMS)**, jointly maintained by the **World Federation for Medical Education (WFME)** and **FAIMER (Foundation for Advancement of International Medical Education and Research)**, providing global recognition of the medical qualification.
- Previously included in the **International Medical Education Directory (IMED)** and recognized through FAIMER, reflecting the institution's longstanding international visibility.
- Recognized by the **Educational Commission for Foreign Medical Graduates (ECFMG), USA**, enabling eligible graduates to pursue ECFMG certification and postgraduate medical training opportunities in the United States, subject to prevailing ECFMG regulations.
- Listed in the **World Health Organization (WHO)** international medical school records, supporting international recognition of the institution.
- Member of the **South Asian Regional Association for Medical Education (SARAME)**, promoting regional collaboration in medical education.
- Member of the **Bangladesh Private Medical College Association (BPMCA)**, contributing to the advancement of private medical education in Bangladesh.
- Recognized as a training institution by the **Bangladesh College of Physicians and Surgeons (BCPS)** for approved postgraduate clinical training in designated disciplines.
- **East West Medical College Journal (EWM CJ)** is assigned an International Standard Serial Number (ISSN):
 - Print ISSN (P-ISSN): 2220-8658
 - Online ISSN (E-ISSN): 3007-956X
- **Institutional Identity:** Recognized with the International Standard Name Identifier (ISNI: 0000 0004 5930 915X), facilitating global identification of the institution in scholarly and research databases.

Admission Procedure

The Director General of Health Services (DGHS), Government of the People's Republic of Bangladesh, conducts a central written admission test at the national level for admission in the government and non-government Medical Colleges each year. They publish a merit list for eligible candidates. The authority of East West Medical College Hospital selects the students as per rules laid down by the DGHS and MOHFW.

A medical board will examine the selected candidates for physical fitness. The Principal of East West Medical College will form the medical board.

Admission, Tuition and Incidental Fee submission:

All payments are to be made in full at the time of admission. All payments made at the time of admission are non-refundable.

Tuition fee is payable on monthly basis within the first week of each month.

Failure of payment on the due date will result in a fine on a daily basis.

If monthly fees are delayed by more than one month, student's name will be removed from the attendance register.

The name of the student will be removed from the College Register if tuition fees are not paid for two months consecutively. In such case, the student has to pay re-admission fees to get re-enrollment.

Admission Fee

Admission fee	: As per instruction of Ministry of Health and Family Welfare
Tuition fees	: As per instruction of Ministry of Health and Family Welfare
Internship remuneration	: As per instruction of Ministry of Health and Family Welfare
Miscellaneous	: Residential Field Site Training in rural health complex expense, Day visits to various health center expense, Forensic Medicine Autopsy expense at Government morgue, Caution money, University student's registration fee, University, BMDC and Ministry annual affiliation renewal fee, Cultural Programme and Sports etc.

Accommodation and food charges to be paid separately.

The fee structure can be changed anytime as per the order of Ministry of Health & Family Welfare.

Distribution of Seats:

1. General quota:

Forty Eight Percent (48%) seats are available for the Bangladeshi candidates who can get admission according to the merit score of Medical Admission Test published by DGHS, MOHFW.

2. Freedom Fighter:

Two percent (2%) seats will be available for wards of freedom fighters. For these seats, attested photo-copy of appropriate documents should be submitted along with the admission form.

3. Poor and Meritorious:

Five percent (5%) seats will be available for the poor and meritorious category.

4. Foreign Students:

Forty-five percent (45%) seats are available for overseas students according to MOHFW mandate

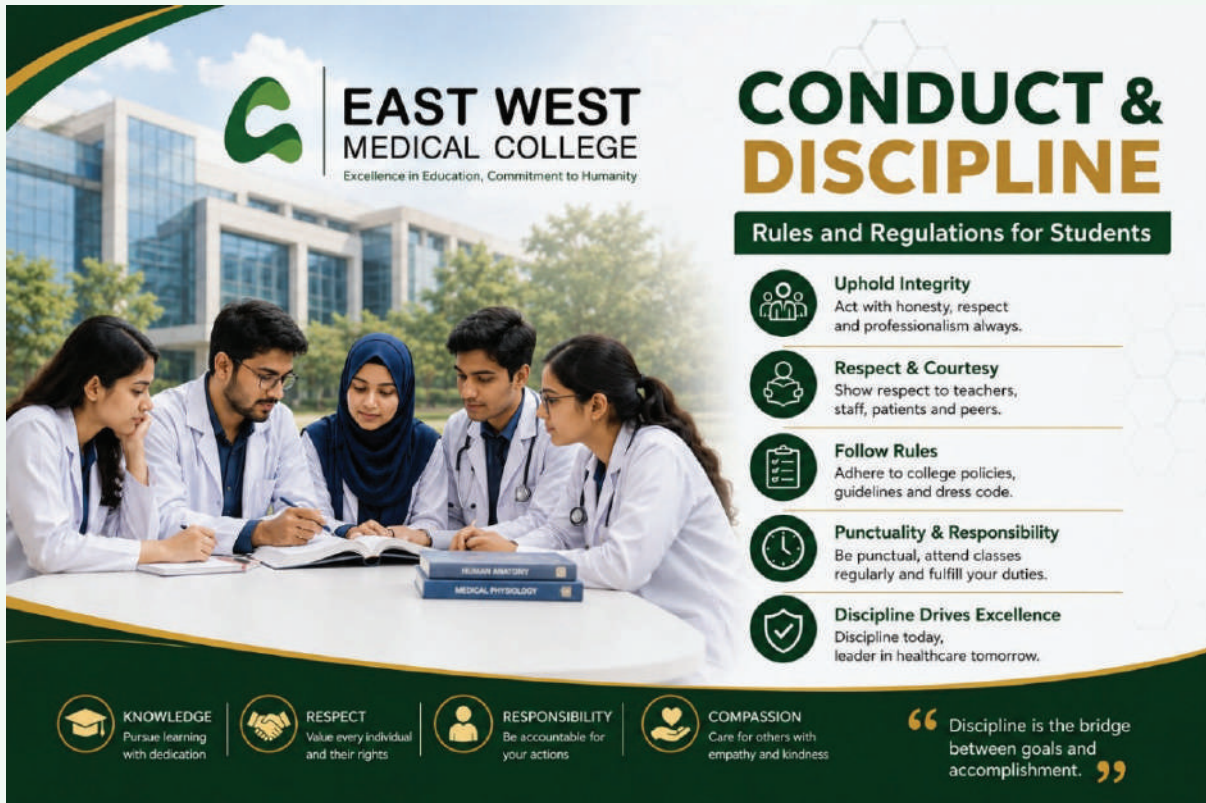

Criteria for Admission of Foreign Students in the Non-government Medical Colleges in Bangladesh:

Government of Bangladesh sets the rules and procedures of admission of foreign students to all public and private medical colleges within its territory. Following are the steps that one may need to take if he/she wants to get admitted into East West Medical College. If the candidate has the passport of a country having diplomatic relationship with Bangladesh, he/she can apply for admission in MBBS (Bachelor of Medicine & Surgery) course, in one of the public & private medical colleges in Bangladesh. Attested documents, bank receipt of payment, duly filled admission form are to be submitted to Bangladesh Embassy of his/her country for processing grade equivalency and permission from government of Bangladesh. The candidate should preferably do it by him/her self. Having received the permission letter of Ministry of Foreign Affairs and grade equivalency of their certificates, BMC office would inform them and proceed with their admission. Valid documents proving the eligibility of the candidate needs to be produced in the university to seek admission in the university.

Following are the eligibility criteria for the admission in the college:

1. A student needs to be 17+ on or before 31st December of the year of admission.
2. Any consecutive gap of two years in the academic year will not be accepted.
3. A candidate needs to secure 60% or above in 10+2 with subjects including Physics, Chemistry and Biology.
4. A candidate needs to have a GPA score of 8.0 in SSC, HSC or Equivalent.
5. A candidate needs to have a GPA of 3.5 in Biology.
6. The qualifying marks in NEET are mandatory for the candidate who is willing to practice medicine in hospitals or private clinics in India.

Conduct and Discipline

EAST WEST MEDICAL COLLEGE
Excellence in Education, Commitment to Humanity

CONDUCT & DISCIPLINE

Rules and Regulations for Students

- Uphold Integrity**
Act with honesty, respect and professionalism always.
- Respect & Courtesy**
Show respect to teachers, staff, patients and peers.
- Follow Rules**
Adhere to college policies, guidelines and dress code.
- Punctuality & Responsibility**
Be punctual, attend classes regularly and fulfill your duties.
- Discipline Drives Excellence**
Discipline today, leader in healthcare tomorrow.

KNOWLEDGE
Pursue learning with dedication

RESPECT
Value every individual and their rights

RESPONSIBILITY
Be accountable for your actions

COMPASSION
Care for others with empathy and kindness

“Discipline is the bridge between goals and accomplishment.”

Students must maintain strict discipline in the college. On disciplinary grounds the following penalties may be imposed on a student, depending on nature of the offence:

01. Warning
02. Fines
03. Expulsion from the College, temporarily or permanent
04. Any other as decided by the college academic council

A student's name may be removed from the College Register under the following circumstances:

01. Remaining absent from classes for consecutive two months without any information. The student needs to take re-admission in such condition.
02. Disciplinary ground, on the advice of the Academic Council.
03. Non-payment of college dues for consecutive three months for the due date of payment.

Rules and Regulations for Students

1. Students have to carry their "Identity cards" when in the college and in the hospital.
2. Students must be well dressed, clean & attend the classes with white aprons.
3. Fashionable dress, cosmetics, untidy hair, slippers are prohibited in the campus. Male students must wear shoes in the campus. Female students must tie their hairs properly.
4. Rings, bangles etc. are not allowed in the practical classes.
5. East West Medical College is a non-smoking zone.
6. Environment should be kept clean. Students are requested to throw solid waste/litter into waste bins.
7. Sticking of posters on the walls of the college and the hospital premises are prohibited. These are considered as acts of indiscipline and the offenders involved are liable to punishment.
8. All types of agitation, processions, shouting in the college and hospital premises are prohibited and students involved in those activities are liable to be expelled from college.
9. Absence from classes individually or in a mass without prior information and without valid reasons are punishable.
10. Students will state their problems/grievances/inconveniences to their respective departmental teachers/Mentor. The Mentor will solve the problems of the students or refer them to the Head of the department.
11. Students must not misbehave with the staff or employees of the college. Misbehavior is an act of indiscipline and liable for punishment.
12. Students are expected to maintain the highest standard in their academic and private lives. Loss of moral and spiritual values or addiction to alcohol and narcotic drugs are punishable offence.
13. Text books, dissecting instruments or necessary equipment's will not be provided by the college.
14. Leave: In case of illness or other unavoidable reasons of non-attendance, a written application from the student should be presented to the Head of the department.
15. Receiving private coaching from any teacher of East West Medical College is prohibited. If any student or his/her guardian seeks private coaching from any teacher of this institution and if it be proved, he/she (student) may face dismissal from studentship/ expulsion from the examination or from college register.
16. Cost of loss/damage to college/hospital property is liable to be realized from the student who is found responsible for the loss/damage of the college/hospital property.
17. Political activities are strictly prohibited in the college.
18. Use of any kind of smart phone or laptop/tablet computer is prohibited in the classrooms and campus.

All above rules & regulations can be modified by the Academic Council and Governing Body.

**EAST WEST
MEDICAL COLLEGE**

Commitment to Humanity

INFORMATION FOR PARENTS / GUARDIANS

Your partnership is essential in shaping a compassionate, competent and ethical doctor.

- 

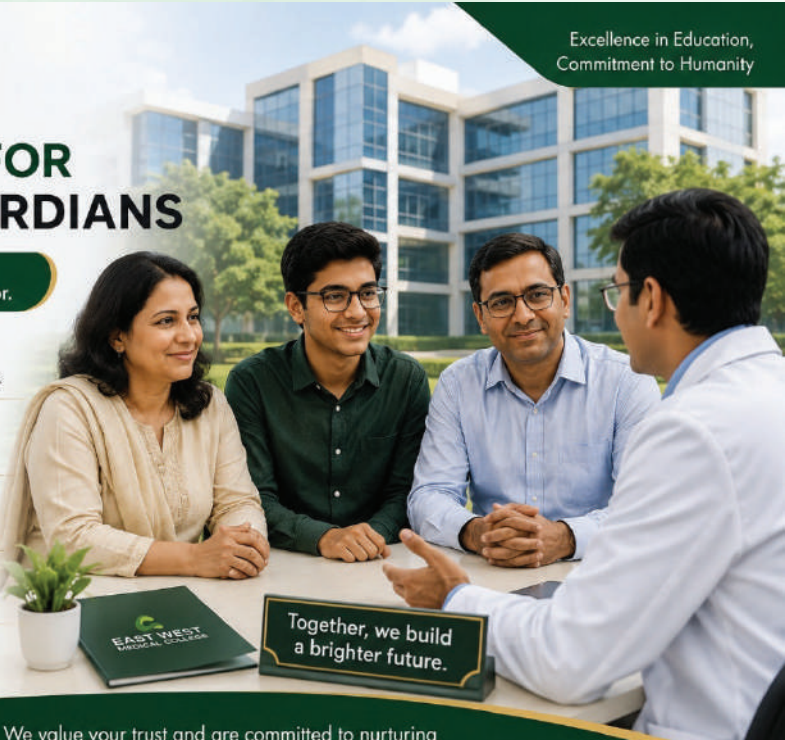

ACADEMIC EXCELLENCE
A rigorous, student-centered curriculum designed to inspire and empower tomorrow's doctors.
- 

SAFE & SUPPORTIVE ENVIRONMENT
We provide a secure, inclusive and caring campus where students can learn, grow and thrive.
- 

TRANSPARENT COMMUNICATION
We keep parents informed through regular updates, meetings and open communication channels.
- 

STUDENT WELL-BEING
Counseling, mentoring and wellness programs that support academic and personal growth.
- 

PARTNERSHIP FOR SUCCESS
Your support and encouragement are vital to your child's success.

We value your trust and are committed to nurturing your child's potential with **integrity** and **excellence**.

Information for the Parents/Guardians:

1. There are four professional examinations in MBBS Curriculum. There are two sessions of Professional MBBS Examination in a year, i.e. in May and November.
2. Parents should look after the student whether they are attending their classes, item exams, term exams, as they are required to complete and pass all term exams. Seventy five percent (75%) class attendance is required to be eligible for each professional examination.
3. The tuition fee per month should be paid within the first week of every month. Failure of payment within due date is liable to pay a late fee per day along with the dues. For delay in payment for more than one month the name of the particular student will be removed from the Attendance Register. The name of the student will be removed from the College Register if the payment is not given for three months consecutively.
4. After successfully passing final professional MBBS examination, students have to complete one year Internship Training in East West Medical College Hospital to get registration from Bangladesh Medical and Dental Council (BM&DC).

Academic Information for The Students

EAST WEST MEDICAL COLLEGE
Excellence in Education, Commitment to Humanity

ACADEMIC INFORMATION FOR STUDENTS

At East West Medical College, we are committed to providing a world-class medical education that nurtures knowledge, skills, values and compassion.

- CURRICULUM**
Integrated, competency-based MBBS curriculum aligned with national and international standards.
- TEACHING-LEARNING**
Student-centered learning with a blend of lectures, small group discussions, skills labs, and clinical training.
- ASSESSMENT**
Regular formative and summative assessments to ensure academic excellence and continuous improvement.
- ACADEMIC CALENDAR**
Structured academic calendar with timely notifications of classes, examinations and holidays.
- STUDENT SUPPORT**
Academic advising, mentorship and remedial support to help every student succeed.

EXCELLENCE
Striving for the highest standards in medical education

INTEGRITY
Upholding honesty, ethics and professionalism

INNOVATION
Encouraging critical thinking and lifelong learning

COMPASSION
Building empathy, doctors and responsible citizens

Empowering students today, inspiring healthcare leaders tomorrow.

- **Student Attendance:** Student attendance is recorded in attendance registers. Attendance is compulsory and students are liable for fines for failing to attend classes and exams without permission. Students are eligible for University Professional Examinations only if they have 75% attendance in classes. An Academic Calendar is provided to every student to help him/ her to understand and schedule for the year. Every student is also assigned to a particular member of the faculty for guidance with regard to individual problems.
- **Student's Assessment:** Student's assessments are made through periodic class examinations (card completion, written, oral and practical examinations) and professional examinations.
- **Discipline At the Examination:** Strict discipline is maintained. Indecent gesture, behavior, copying at the examinations and even talking to other candidates at the examinations are liable to disciplinary action under the University regulations.
- **Positions At the Examination:** Merit positions up to 10th position are declared at the examination.
- **Grading at the examinations:** Pass Mark is minimum 60% in written, oral, practical & clinical subjects, 10% of written examination of each paper of each subject is allocated for formative examination and 20% is an allocated for MCQ. Time allocation is 1 minute for each question consisting of 5 stems (20 questions). Honors mark is 85% or inure of the total in the subjects of the

examination. Merit positions are declared only in the cases of regular students. Irregular students have no claim over Honors declaration and Merit position declaration.

- Those students who pass their examinations in the scheduled time are considered as regular
- Promotion: There are 4 professional examinations conducted by Dhaka University.
 - ✦ After passing 1st Professional at the end of 1.5-year students are promoted to 3rd year
 - ✦ After passing 2nd Professional at the end of 1-year students are promoted to 4th year
 - ✦ After passing 3rd Professional at the end of 1-year students are promoted to 5th year
 - ✦ MBBS degree will be awarded by the Dhaka University when students pass all subjects of the final professional examination at the end of 5th year.
- Internship: Students who have been awarded the MBBS degree by University of Dhaka have to do one year of internship at the East West Medical College for full registration with the Bangladesh Medical and Dental Council (BMDC). Internship Programme is conducted as per BMDC Prescribed rules.

MBBS Course and Curriculum

1. Name of the course: Bachelor of Medicine & Bachelor of Surgery (MBBS)
2. Basic qualifications & prerequisite for entrance in MBBS Course:
 - (i) HSC or equivalent with Science. (Biology, Physics, Chemistry)
 - (ii) Candidate has to secure required grade point in the SSC and HSC examinations.
3. Selection procedure: for MBBS course: According to decision by the proper competent authority as per merit.
4. Medium of Instruction: English.
5. Duration: Five years, followed by one year internship.

Course structure and duration:

The details of four phases:

Phase	Duration	Subjects	Examination
1st Phase	1½ Year	Anatomy, Physiology, Biochemistry	First Professional MBBS
2nd Phase	1 Year	Pharmacology and Therapeutics, Forensic Medicine & Toxicology	Second Professional MBBS
3rd Phase	1 Year	Community Medicine and Public Health, Pathology, Microbiology	Third Professional MBBS
4th Phase	1½ Year	Medicine & Allied Subjects, Surgery & Allied Subjects, Obstetrics & Gynaecology	Final Professional MBBS

N.B.: All academic activities including professional examination of each phase must be completed within the specified time of the phase.

BMDC recognized detailed curriculum is followed in MBBS course.

PHASE WISE DISTRIBUTION OF TEACHING HOURS

1st Phase

Teaching and Learning Methods

At East West Medical College, teaching and learning are designed to develop competent, compassionate, and evidence-based medical professionals through an integrated, student-centred curriculum aligned with the Bangladesh Medical & Dental Council (BM&DC) and the University of Dhaka. A combination of innovative teaching strategies, early clinical exposure, community-based education, and technology-enhanced learning ensures that students acquire the knowledge, clinical skills, professionalism, and communication competencies required for modern medical practice.

Large Group Learning

Large-group sessions provide a strong foundation in medical sciences through interactive and evidence-based teaching methods, including:

- Lectures
- Seminars
- Guest lectures and academic presentations

Integrated Teaching

The College follows an integrated curriculum comprising 102 interdisciplinary teaching sessions, promoting horizontal and vertical integration across basic, para-clinical, and clinical sciences.

- Phase I: 12 integrated topics
- Phase II: 7 integrated topics
- Phase III: 10 integrated topics
- Phase IV: 73 integrated topics
 - ✦ Common interdisciplinary topics: 42
 - ✦ Department-specific topics: 31
 - Medicine: 10
 - Surgery: 11
 - Obstetrics & Gynaecology: 10

This integrated approach enables students to correlate basic sciences with clinical practice, fostering critical thinking and problem-solving skills.

Small Group Learning

Small-group teaching encourages active participation, collaborative learning, and analytical thinking through:

- Problem-Based Learning (PBL)
- Tutorials
- Demonstrations
- Interactive discussions and student presentations

Practical and Laboratory Training

Hands-on practical sessions are conducted in well-equipped laboratories to strengthen technical skills and scientific reasoning. Students are trained through:

- Practical manuals and structured laboratory exercises
- Supervised performance of practical procedures and examinations
- Maintenance of practical notebooks and records
- Continuous formative assessment and feedback

Community-Based Medical Education

Students gain first-hand experience of public health and primary healthcare delivery through community-based learning activities, including:

- Residential Field Site Training (RFST)
- Day visits
- Study tour

These activities help students understand the social, environmental, and epidemiological determinants of health.

Clinical Teaching

Clinical training begins with early patient exposure and continues throughout the clinical years under the supervision of experienced faculty members. Teaching is conducted in:

- Inpatient Departments (IPD)
- Outpatient Departments (OPD)
- Emergency Department (ED)
- Operation Theatres (OT)
- Intensive Care Unit (ICU)
- Postoperative Wards (POW)
- Ambulatory care clinics and other specialized clinical units

Clinical instruction emphasizes bedside teaching, patient-centred care, procedural skills, clinical reasoning, and professional ethics.

Technology-Enhanced Learning

To prepare students for modern healthcare practice, the College integrates Information and Communication Technology (ICT) into medical education through:

- Computer-assisted learning
- Digital learning resources
- Internet-enabled computer laboratories
- Online academic resources and medical databases

A balanced clinical training model is maintained, with 25% of clinical teaching conducted in ambulatory care settings and 75% in inpatient services, ensuring comprehensive exposure to diverse patient care environments.

Through these comprehensive teaching and learning strategies, East West Medical College nurtures graduates who are academically accomplished, clinically competent, ethically responsible, and well prepared to meet national and global healthcare challenges.

Assessment:

- There will be in-course/ formative (item/ card/ term) and end-course/ summative(professional) assessment for the students in each phase (1st, 2nd, 3rd & 4th phase) of the course i.e. formative and professional examination.
- Formative assessment will be done through results of items, card and term ending examination, weightage from integrated teaching & class attendance.
- For formative assessment, 10% marks of written examination of each paper of each subject is allocated.
- In written examination for MCQ of each paper, 20% marks are allocated, out of that Single Based Answer (SBA) type of MCQ will be 50% and Multiple true false (MTF) type of MCQ 50% in formative and summative assessment of all subjects of MBBS course. There will be separate answer script for MCQ part of examination. Total number of MCQ will be 20 for 20 marks out of which 10 marks for SBA and 10 marks for MTF.
- Short Answer Question (SAQ) and Structured Essay Question (SEQ) will be in written examination of each paper; 70% marks are allocated. Out of 70 marks Structured Essay Question (SEQ) will be around 25% along with short answer question (SAQ) around 75% in formative and summative assessment of all subjects of MBBS course.
- Oral part of the examination will be Structured Oral examination (SOE)
- OSPE/OSCE will be used for assessing skills/competencies. Traditional long & short cases will be also used for clinical assessment.
- There will be phase final professional examination within each academic phase.
- Results will be published as per following GPA system with the provision of reflection of marks in the academic transcript.

Numerical Grade	Letter Grade	Grade Point
80% and above	A+	4.00
75% to less than 80%	A	3.75
70% to less than 75%	A-	3.50
65% to less than 70%	B+	3.25
60% to less than 65%	B	3.00
Less than 60%	F	0.00

Note: Please note that above grading system may need to be updated according to National and global needs based on the uniform opinion of the Deans of medical faculties of Public Universities.

J. Eligibility for appearing in the professional examination

- Certificate from the respective head of departments regarding students obtaining at least 75% attendance in all classes (theory, practical, tutorial, residential field practices, clinical placement etc.) during the phase.
- Obtaining at least 60% marks in formative examinations.
- No student shall be allowed to appear in the professional examinations unless the student passes in all the subjects of the previous professionals.

K. Pass Marks: Pass marks is 60%. Student shall have to pass written (SBA & MTF-MCQ+SEQ+SAQ+formative), oral, practical and clinical examination separately.

L. Examinations & distribution of marks:

First Professional Examination					
Subjects	Written Exam marks	Structured Oral Exam marks	Practical Exam marks	Formative Exam marks	Total Marks
Anatomy	180	150	150	20	500
Physiology	180	100	100	20	400
Biochemistry	180	100	100		

Second Professional Examination					
Subjects	Written Exam marks	Structured Oral Exam marks	Practical Exam marks	Formative Exam marks	Total Marks
Pharmacology & Therapeutics	90	100	100	10	300
Forensic Medicine & Toxicology	90	100	100	10	300
				Total =	600

Third Professional Examination					
Subjects	Written Exam marks	Structured Oral Exam marks	Practical Exam marks	Formative Exam marks	Total Marks
Community Medicine & Public Health	90	100	100	10	300
Pathology	90	100	100	10	300
Microbiology	90	100	100	10	300
				Total =	600

Fourth Professional Examination				
Subjects	Written Exam marks	Oral & Clinical Exam marks	Objective Structured Practical Examination (OSPE)	Total Marks
Medicine & Allied	200	250	50	500
Surgery & Allied	200	200	100	500
Obstetrics & Gynaecology	200	200	100	500
			Total =	1500

M. Common Rules for Examinations:

- University professional MBBS examinations of each phase are held in May and November every year.
- Schedules for examinations are strictly followed by the college.
- No carry on system before passing 1st professional examination. Students who will appear first professional examination can attend the clinical class before publishing results of first professional examination. If any student fails in any subject of first phase in the first professional examination he/she is not allowed to continue clinical and other classes of second phase until passing first professional examination.
- After passing all the subjects of first professional MBBS examination, students can appear in second professional MBBS examination if all other prerequisites for appearing in second professional examination are fulfilled as per curriculum.
- To appear in third professional MBBS examination students will have to pass all the subjects of the second professional MBBS examination must be fulfilled as per curriculum.
- To appear in 4th(Final) professional MBBS examination students have to pass all the subjects of previous 3rd professional MBBS examination if all other prerequisites are fulfilled. In the mean time students can attend clinical ward placement, teaching learning.
- Before appearing professional examinations academic clearance i.e. Attendance in classes, Class performance, Card, Item & financial clearances are required.

N. Few directives and consensus about the following issues of assessment:

- In case of OSPE/OSCE- Instruments/equipment's to be taken to oral boards to ask open questions to the students apart from Structured Oral Examination (SOE). There will be scope of instruments related viva, specially in clinical subjects and where applicable. Central OSPE/OSCE from Dean Office after moderation will be encouraged.
- In case of Structured Oral Examination (SOE), instead of preparing specific structured question, topics will be fixed considering wide range of contents coverage. Rating scale will be used for marking the students concurrently. Each student will be asked questions from all topics of the set. Equal or average duration of time will be set for every student.

Internship:

- i) After passing final professional MBBS examination students have to enroll for one year log book based mandatory rotator internship programme. Internship programme will be more structured and supervised. It is compulsory to complete MBBS course & one-year supervised internship programme to get permanent registration for doing independent practice.
- ii) MBBS graduates must join internship within one month after passing the final professional MBBS examination. Exception can be considered based on the only valid personal medical ground upon approval of the Director of the Medical College Hospital.
- iii) Within one year (12 month) of internship period 11 and half months at respective medical college hospital and 15 days at Upazila Health Complex (UHC)/ Community Health Clinic/ Field level.
- iv) Timeline of completion of internship will be two years once after joining internship. i.e. it must be completed within two years from the starting date. Exception can be considered based on the only valid personal medical ground upon approval of the Principal of respective Medical College and Director of Medical College Hospital.

Prerequisites of Professional MBBS EXAMINATIONS

Examinations are held two times in a year in May and November. Prerequisites for appearing at the University examinations are –

1st Professional Examination: A candidate must have:

- Completed a 1.5 years course in the subjects of the examination in one of the affiliated Medical College of the University.
- Present in 75% or more of the allotted classes in the subjects of the examination.
- Obtained pass marks (minimum 60% of the total) in the card examinations in the subjects of the examination.
- Have passed 3 terms examination.
- Certificate of good conduct from the departments concerned.
- Paid University fees.
- Paid all College dues such as tuition fees, etc.

2nd Professional Examination: A candidate must have:

- Passed 1st Professional MBBS Examination in all subjects.
- Completed allotted hours of the studies in the subjects of the examination in an affiliated Medical College of the University.
- Present in 75% of more of the allotted classes in the subjects of the examination.
- Obtained the pass marks (minimum 60% of the total) in the card examination of the subjects of Examination and assessment examination before sent up.
- Have completed 3 terms examinations.
- Paid University Fees.
- Paid all College dues such as tuition fees, etc.

3rd Professional Examination: A candidate must have:

- Passed 1st and 2nd Professional MBBS Examinations in all subjects.
- Completed allotted hours in the subjects of the examination in an affiliated Medical College of the University.
- Present in 75% or more of the allotted classes in the subjects of the examination.
- Obtained the pass marks (minimum 60% of the total) in the card examinations of the subjects of examination and assessment examination before sent up.
- Have completed 3 terms examinations.
- Paid university fees.
- Paid all college dues such as tuition fees, etc.

Final Professional Examination: A candidate must have:

- Passed 1st, 2nd and 3rd Professional MBBS Examinations in all subjects.
- Completed allotted hours in the subjects of the examination in an affiliated Medical College of the University.
- Present in 75% or more of the allotted classes in the subjects of the examination.
- Obtained the pass marks (minimum 60% of the total) in the card examinations of the subjects of examination and assessment examination before sent up.
- Have completed 3 terms examinations.
- Paid university fees.
- Paid all college dues such as tuition fees, etc.

Academic Callender:

Month	Activities
January	Cultural & Sports Program
February	Annual Picnic
March	Class, Lectures, Demonstrations
April	Preparatory leave for examination for 10 days
May	1st, 2nd, 3rd & final Professional Exam.
June	Class, Lectures, Demonstrations
July	Class, Lectures, Demonstrations
August	Class, Lectures, Demonstrations
September	Class, Lectures, Demonstrations
October	Preparatory Leave for examination for 10 days
November	1st, 2nd, 3rd & final Professional Exam.
December	Class, Lectures, Demonstrations

* All national and international days are observed according to the instruction of the government; * Institutional programs are held in due dates.

Accommodation Facility

East West Medical College provides safe, comfortable, and secure hostel accommodation for students, subject to availability and allocated on a first-come, first-served basis. Separate, well-maintained hostels are available for male and female students, offering a supportive environment that promotes academic excellence, personal well-being, and disciplined living.

The hostels feature spacious, well-furnished rooms equipped with beds, study tables, chairs, adequate lighting, and air-conditioning to ensure a comfortable and conducive learning environment. Nutritious meal services and laundry facilities are also available to meet the daily needs of resident students.

The hostels are supervised by dedicated wardens, ensuring a safe, secure, and student-friendly atmosphere that encourages both academic focus and personal development. Students residing in the hostels are expected to comply with the rules and regulations of East West Medical College and maintain the highest standards of discipline, mutual respect, and responsible conduct throughout their stay.

Rules and Regulations for Boys' and Girls' Hostels

The residential hostels of East West Medical College provide a safe, disciplined, and academically conducive environment for students. All residents are expected to comply with the following rules and regulations to maintain order, security, and mutual respect within the hostel premises.

Dress Code

- Male students must wear formal full-sleeved shirts (properly tucked in) with appropriate trousers while on campus.
- Female students are required to wear modest long kamiz or kurta with suitable attire.
- Jeans, cargo pants, sagging trousers, and other casual or inappropriate clothing are not permitted on campus.
- Sandals and slippers are not allowed during academic activities.
- Students should maintain a neat and professional appearance. Hair should be clean, properly groomed, and should not be dyed in extreme or unconventional colors.

Behavior and Discipline

All hostel residents are expected to uphold the highest standards of discipline, professionalism, and respect for others.

The following are strictly prohibited:

- Verbal, physical, or psychological abuse of any individual.
- Possession, consumption, or distribution of alcohol, narcotics, or any prohibited substances.
- Smoking within the hostel or college premises.
- Possession, viewing, or distribution of pornographic or other objectionable materials.
- Possession of firearms, weapons, explosives, or any hazardous materials.
- Harassment, bullying, indecent remarks, spreading rumors, or any behavior that may offend or intimidate others.
- Organizing parties, social gatherings, demonstrations, or political activities within the hostel or college campus.
- Climbing over hostel walls, fences, windows, or using unauthorized means to enter or leave the hostel.
- Possession or use of heavy gym equipment or any unauthorized electrical appliances.
- Misconduct towards hostel staff, employees, faculty members, or fellow students.

Any violation of hostel rules shall be subject to disciplinary action as determined by the college authority.

Approved Personal Items

Students may keep the following personal items in their rooms:

- Personal computer or laptop
- Alarm clock
- Table fan
- Study table lamp
- Mobile phone or laptop charger

Prohibited Electrical Appliances

For safety reasons, the following appliances are not permitted in hostel rooms:

- Electric iron
- Electric kettle
- Hair dryer
- Rice cooker
- Microwave oven
- Electric stove or hot plate
- Toaster
- Television
- Blender
- Air cooler

Hostel Fees

Hostel accommodation and dining charges must be paid within the stipulated time according to the regulations of the Accounts Office. Failure to clear outstanding dues may result in cancellation of hostel accommodation.

Hostel Dining

- All hostel residents are required to take their lunch and dinner in the hostel dining hall.
- Meals must be consumed in the designated dining area. Taking food to hostel rooms is not permitted unless authorized by the hostel authority.

Hostel Security

- The hostel authority will provide each resident with the necessary lock and key for their assigned room.
- Students are responsible for the proper care of these security items and must compensate for any loss or damage.

Student Identification Card

- Every student must carry and display the official College Identity Card while entering or leaving the hostel premises.
- Identity cards are non-transferable and must not be exchanged or shared with others.

General Regulations

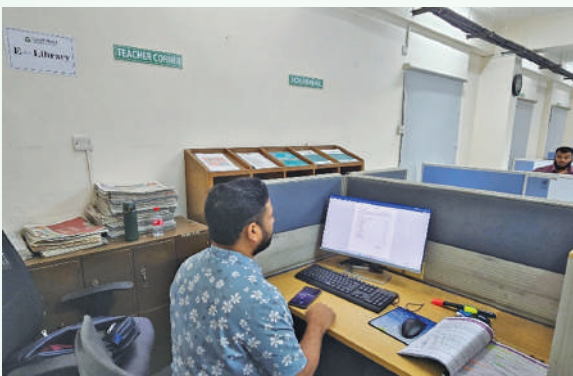

The hostel authority reserves the right to modify hostel regulations whenever necessary in the interest of safety, discipline, and effective hostel management. All students are expected to comply with these regulations throughout their period of residence.

Facilities Available

Library and Reading Room:

The East West Medical College Central Library is a modern, fully air-conditioned learning resource center designed to support academic excellence and lifelong learning. The library houses a rich collection of over 10,000 up-to-date textbooks, reference books, monographs, national and international journals, magazines, and newspapers covering all major disciplines of medical and health sciences.

The spacious reading area accommodates approximately 100 students at a time, providing a quiet and conducive environment for study. Students and faculty members have borrowing privileges and access to high-speed Wi-Fi, enabling the use of thousands of biomedical journals, e-books, and other online learning resources.

The library also features a dedicated E-Library with HINARI Institutional Access, offering access to internationally recognized medical literature, scientific journals, and evidence-based learning

materials. Photocopying and other academic support services are available for users. To facilitate extended learning, the library remains open daily from 8:00 AM to 10:00 PM.

Audiovisual Equipment:

Each class is provided with overhead projector, slide projector and microphone system. In addition, multimedia projectors and computers are also available for teaching.

Teaching Method:

Teaching is conducted through lectures, demonstration, tutorials, clinical placement, practical classes, field visits, guided study tours and surveys on health problems. CME are held every week on a regular basis. Integrated teaching methods are adopted in all the phases. Teaching aids such as overhead projectors, slide projectors, multimedia projectors, television with VCR and videocassettes, computers with teaching CDs are used in the teaching of students. Seminar, symposium, observation of various days like World Health Day, World Stroke Day, World Kidney Day, Breast Cancer Awareness week, Hand Hygiene workshops are celebrated throughout the year.

Conference Room

There is a fully air-conditioned conference room having sitting arrangement for 150 people. This is situated in the college building beside college office section.

Gallery:

East West Medical College is equipped with multiple spacious, fully air-conditioned lecture galleries designed to support large-group teaching, seminars, symposia, academic conferences, and professional examinations. Each gallery is equipped with multimedia projection systems, high-speed internet connectivity, modern audio-visual facilities, and live lecture and video conferencing technology, ensuring an interactive and technology-enhanced learning environment for students, faculty, and academic events.

Inspiring futures.**

Common Room:

There are two common rooms for students (One for males and one for females) with television, internet, daily newspaper and some indoor games.

Cafeteria:

East West Medical College provides convenient, hygienic, and student-friendly dining facilities through two well-maintained cafeterias on campus.

A snack café, conveniently located adjacent to the main entrance of East West Medical College Hospital, offers a wide selection of freshly prepared snacks, light refreshments, tea, coffee, and other beverages throughout the day.

A spacious central cafeteria, situated on the **10th floor of the hospital building**, serves nutritious and affordable meals in a comfortable dining environment. The cafeteria operates **24 hours a day, 7 days** a week, providing breakfast, lunch, dinner, as well as a variety of snacks, tea, coffee, and other refreshments to meet the needs of students, faculty, staff, patients, and visitors.

Designed to maintain high standards of hygiene, food quality, and service, the cafeteria facilities contribute to a healthy and supportive campus environment.

Spacious Parking Facilities

To ensure the convenience of faculty members, students, patients, visitors, and staff, East West Medical College & Hospital provides ample on-campus parking facilities. The campus features both dedicated open-air parking areas and secure basement parking, with the capacity to accommodate more than 100 vehicles simultaneously. This well-planned parking infrastructure ensures safe, convenient, and hassle-free access to the college and hospital premises.

Transportation Facilities

East West Medical College & Hospital provides comprehensive transportation services to ensure the convenience of faculty members, students, patients, and visitors. For faculty transportation, the institution operates a fleet comprising five cars, three Toyota HiAce microbuses, and one spacious bus that provides scheduled pick-up and drop-off services along designated routes.

To support patient care, the hospital maintains two fully equipped ambulances that operate 24 hours a day, 7 days a week. These ambulance services ensure the safe and timely transfer of both incoming and outgoing emergency and critically ill patients, providing uninterrupted emergency transportation whenever required.

Prayer Facilities

East West Medical College provides dedicated prayer facilities for both male and female students and staff. A spacious mosque is conveniently located in front of the college building, offering a peaceful and accessible environment for daily prayers. The five daily congregational prayers are conducted regularly under the guidance of an experienced Imam, ensuring a comfortable and spiritually supportive atmosphere for the college community.

East West Medical College Journal

The **East West Medical College Journal (EWMCJ)** is the official, **double-blind, peer-reviewed, open-access** scientific journal of East West Medical College and Hospital. Published **biannually** in **January** and **July**, the journal provides a reputable platform for the publication of high-quality research in medicine, dentistry, public health, nursing, and allied biomedical sciences.

EWMCJ publishes editorials, original research articles, systematic and narrative reviews, meta-analyses, clinical studies, case reports, brief communications, and letters to the editor from researchers in Bangladesh and around the world. The journal adheres to the recommendations of the **International Committee of Medical Journal Editors (ICMJE)** and follows the **Journal Publishing Practices and Standards (JPPS)** framework to ensure the highest standards of scientific integrity and publication ethics.

Recognized by the **Bangladesh Medical and Dental Council (BMDC)**, EWMCJ is published under **P-ISSN: 2220-8658** and **E-ISSN: 3007-956X**. The journal is indexed in **Google Scholar, Crossref, OpenAlex, ResearchGate, Scilit, and ORCID**, with ongoing efforts toward inclusion in **DOAJ, Web of Science, and PubMed**. An independent Editorial Board and an international panel of reviewers ensure a rigorous and transparent peer-review process, reinforcing the journal's commitment to academic excellence and global visibility.

Ex-Professor & Head of the Department
Department of Neurosurgery,
Chittagong Medical College,
Chattogram, Bangladesh

Dr. Md. Latiful Bari
MBBS, MS, MRCS, FACS, FMAS, DMAS, EFIAGES
Consultant
General & Laparoscopic Surgery
Gabtalta UHC, DGHS- MOHFW,
Dhaka, Bangladesh

Dr. Sharmin Yeasmin, FCPS, MS
Professor
Department of Gynae & Obst.
Bangladesh Institute of Health Science
Mirpur, Dhaka

Dr. Maruf Bin Habib
MBBS, FCPS
Professor
Department of Medicine
Medical College For Women & Hospital
Sector:1, Uttara, Dhaka

Dr. Aga Salehin Farhan, MBBS
MBBS, MS (State University-NY)
Health Informatics Analyst,
Texas Health Services Authority, USA

Dr. MD. Rizwanul Karim
Associate Professor and Head
Department of Community Medicine &
Public Health and Public Health
Shaheed M. Monsur Ali Medical College
Sirajganj-6700

Dr. Md. Taraque Aziz Sagar
Volunteer Research Assistant
Dream USMLE LLC
St. Louis, Texas, USA

Dr. Md. Marufur Rahman
MBBS, MPH (Epidemiology), MSc (Molecular Medicine)
Doctoral Researcher
The University of Sheffield, UK
OSD- DGHS-MOH&FW,
Dhaka, Bangladesh

Dr. Md. Ahsanul Haque, MS, PhD
 Professor,
 Department of Entomology
 Bangabandhu Sheikh Mujib Agricultural University
 Salna, Gazipur, Bangladesh

Dr. Nazmin Ahmed
 MBBS, MS
 Assistant Professor & Associate Consultant
 Department of Neurosurgery
 Ibrahim Cardiac Hospital & Research Institute
 (A Centre for Cardiovascular,
 Neuroscience and Organ Transplant Units)
 Shahbag, Dhaka-1000
 Orcid Id:0000-0002-6308-8498

Dr. Hasnat Zaman Zim
 FCPS, MS
 Assistant Professor
 Department of General Surgery
 Bangabandhu Sheikh Mujib Medical University (BSMMU)
 Shahbag, Dhaka-1000.

Dr. Md. Mukit Ahamed
 MBBS, MPH
 Surveillance and Immunization Medical Officer
 Bangladesh Chapter
 World Health Organization,
 Gulshan, Dhaka, Bangladesh.

Dr. Mehedi Hassan
 Clinical Data Scientist
 OSCAR Health INC.
 75 Varick St, New York, NY 10013.

Dr. Muhammad Anwarul Hoque
 University of Glasgow
 Scotland, UK

Institutional Review Board

S.N	Name	Designation	IRB Position
1	Prof. Dr. Md. Zaforullah Chowdhury	Principal, EWMC	Chairman
2	Prof. Dr. Md. Abidul Haque	Professor , Community Medicine & Public Health	Member
3	Prof. Dr. Mohsina Akhter	Professor, Forensic Medicine	Member
4	Prof. Dr. Nasima Shaheen	Professor, Obs & Gynae	Member
5	Advocate Liton Chandra Das	Lawyer, EWMC	Member
6	Mufti Md. Zakir Hossain	Khatib, EWMC	Member
7	Respective representative	Depending on Research subject	Member

Research Cell of East West Medical College

1	Prof. Dr. Fayeza Karim	Vice Principal & Professor, Physiology	Chairman
2	Prof. Dr. Mahzabin Naz	Professor, Obs & Gynae	Member
3	Prof. Dr. Abdullah Al Farruk	Professor, Medicine	Member
4	Dr. Sumaiya Khatun	Associate Professor, Microbiology	Member
5	Dr. Zobaid Md. Rahat Chowdhury	Assoc. Prof Com- Med & Public health	Member
6	Dr. Md. Humayun Rashid	Associate Professor, Neurosurgery	Member
7	Dr. Galib Mohammad. Shawon	Associate Professor, Surgery	Member
8	Dr. Naim Hossain Ratan	Associate Professor, Pediatric	Member

DECLARATION OF GENEVA

The "Modern Hippocratic Oath"

The Declaration of Geneva was adopted by the General Assembly of the World Medical Association at Geneva in 1948, amended in 1968, 1983, 1994, editorially revised in 2005 and 2006 and amended in 2017.

AS A MEMBER OF THE MEDICAL PROFESSION :

- I SOLEMNLY PLEDGE to dedicate my life to the service of humanity;
- THE HEALTH AND WELL-BEING OF MY PATIENT will be my first consideration;
- I WILL RESPECT the autonomy and dignity of my patient;
- I WILL MAINTAIN the utmost respect for human life;
- I WILL NOT PERMIT considerations of age, disease or disability, creed, ethnic origin, gender, nationality, political affiliation, race, sexual orientation, social standing or any other factor to intervene between my duty and my patient;
- I WILL RESPECT the secrets that are confided in me, even after the patient has died;
- I WILL PRACTICE my profession with conscience and dignity and in accordance with good medical practice;
- I WILL FOSTER the honour and noble traditions of the medical profession;
- I WILL GIVE to my teachers, colleagues and students the respect and gratitude that is their due;
- I WILL SHARE my medical knowledge for the benefit of the patient and the advancement of healthcare;
- I WILL TAKE PROMPT ACTION if patient safety is compromised from either internal physiological or external environmental causes;
- I WILL ATTEND TO my own health, well-being and abilities in order to provide care of the highest standard;
- I WILL NOT USE my medical knowledge to violate human rights and civil liberties, even under threat;
- I MAKE THESE PROMISES solemnly, freely and upon my honor.

East West Medical College

Administrative Wing

Chairman

Prof. Dr. Md. Moazzem Hossain

Managing Director

Ulfat Jahan Moon

Academic Section

The Academic Section of East West Medical College (EWMC), Dhaka, is responsible for managing the MBBS curriculum, examinations and student records in line with Bangladesh Medical & Dental Council (BM&DC) guidelines. It oversees the structured five-year MBBS program followed by a compulsory one-year internship.

Role of Academic Section:

The Academic Section is central to student life at EWMC:

- Curriculum Management: Publishing and documenting syllabus, schedules, and exam timetables.
- Examination Control: Conducting professional MBBS exams, coordinating internal and external examiners.
- Student Records: Maintaining testimonials, registration numbers, and official transcripts.
- BM&DC Liaison: Ensuring compliance with BM&DC rules for licensing and registration.
- Faculty Coordination: Linking departments (Anatomy, Physiology, Biochemistry, Community Medicine & Public Health, Forensic Medicine & Toxicology, Pharmacology & Therapeutics, Pathology, Microbiology, Medicine with Allied subjects, Surgery with Allied subjects, Obs. & Gynaecology, and etc.) with administrative oversight.
- University of Dhaka Liaison: Academic Section implements the affiliation by managing student records, conducting exams under Dhaka University's regulations, and ensuring BMDC compliance.

School of Thoughts:

Alma Reflections

"Memorable event of my medical days:
In 2004, One of the honorable members of parliament of Japan, Mr. Noaki Nonobe Came to our campus with lots of gifts and candies and had a great time with EW 1 batch for inspiring a new college."

Name : **Dr. Md Mustafizur Rahman**
Batch : EW 01
Current : Junior Consultant, Medicine.
Designation MBBS, BCS, MD (Medicine),
CRA (Canada)
Workplace : OSD (DGHS)
Ministry of Health and Family Welfare
Dhaka

"As an alumna of East West Medical College, I look back at my MBBS years with immense pride and gratitude. The comprehensive curriculum and hands-on training at EWMC laid the critical groundwork for my professional achievements. The institution's commitment to excellence has been a guiding light throughout my career. I am proud to represent EWMC as I work toward practicing medicine in Sweden and I remain deeply grateful to the faculty who prepared me for this journey." I am honored to contribute to its enduring legacy and wish the current students the very best on their own journeys."

Name : **Dr. Rakha Datta**
Batch : EW 02
Current : Currently undergoing Swedish
Designation Medical License Validation.
Work place : Umeå Kommun, Sweden.

“Returning to my alma mater as a faculty member is both a privilege and a deeply humbling experience. The institution that once nurtured me as a medical student has now entrusted me with the responsibility of educating future physicians. I remain profoundly grateful to my teachers, mentors, and colleagues whose guidance has shaped my academic and professional journey. This transition from student to teacher inspires me to uphold the values of excellence, compassion, and lifelong learning. It is an honor to contribute to the continued growth and legacy of the medical college that laid the foundation of my career.”

Name : **Dr. Md. Rahad-UI-Islam**
Batch : EW-09
Current : Assistant Professor
Designation :
Workpalce : East West Medical College Hospital

“I am Dr. MD Taraque Aziz Sagar, an MBBS physician, USMLE Step 1 qualified researcher, currently residing in New York, USA. I am a proud alumnus of East West Medical College, where I received a strong academic foundation and excellent clinical training. The guidance and mentorship of my teachers have been instrumental in my journey toward research and international medical practice. I remain deeply grateful to EWMC for shaping my career and inspiring me to pursue excellence in medicine.”

Name : Md Taraque Aziz Sagar
Batch : EW10
Current : Volunteer research Assistant
Designation :
Workplace : Clinical Extern at Rahman Medical Care LLC, USA

“East West Medical College & Hospital will always hold a special place in my heart. As a proud EW-12 Batch graduate (MBBS, 2019), I am deeply grateful for the love, guidance, and mentorship of our respected Sir and Ma'am. They taught me not only medicine but also the confidence to make the right decisions in my professional life. Every department at EWMCH has been a true blessing. Forever proud and forever grateful to be an East Westian.”

Name : **Dr. Tandra Sultana**
Batch : EW-12
Current : RMO & Resident surgeon of
Designation : Rabeya Hospital & Diagnostic Center
Workplace : Jhenaidah Sadar

“East West Medical College is where my dream of becoming a doctor truly began. It was more than just a medical college—it became a place where I learned not only medicine but also compassion, resilience, and the importance of serving others with empathy. The guidance of my teachers, the friendships I built, and the invaluable clinical experiences gave me the confidence to pursue an MSc in Global Public Health in the UK and volunteer internship at King's College Hospital NHS Foundation Trust. I will always be grateful to EWMC for shaping both my personal and professional journey, and I will proudly carry its values wherever life takes me.”

Name : Umme Risalat Akter Meem
Batch : EWMC 13
Current Designation : MBBS | MSc in Global Public Health , University of Greenwich, London,UK (Merit)
Current Workplace/ Institution : Internship volunteering (Public Health Administrator), department of Respiratory Medicine, King's College Hospital NHS Foundation Trust, London, UK

“My journey at East West Medical College began with the guidance of dedicated teachers who built a strong academic foundation. However, the most defining chapter of my journey was during my internship and post-internship years, when the newly established super-specialty departments gave me the opportunity to learn from some exceptional mentors. Their encouragement, guidance, and trust inspired me to pursue my career in Neurosurgery. I remain deeply grateful to East West Medical College for nurturing an environment where mentorship and opportunity go hand in hand.”

Name : Dr. Sajib Saha
Batch : EW-13
Current Designation : MBBS, BCS (Health)
Current Designation : MS Resident, Phase A, Neurosurgery
Workplace : Chittagong Medical College & Hospital

“My MBBS journey at East West Medical College was a transformative chapter that shaped me into a resilient and compassionate doctor. It was filled with long hours of studying, clinical postings, sleepless nights, examinations, and invaluable patient interactions. Beyond academics, it taught me discipline, empathy, teamwork, and perseverance. The experiences, friendships, mentors, and lessons I gained here will remain the foundation of my medical career and inspire me throughout my journey as a doctor.”

Name : Dr. Insha Manzoor
Batch : EW13
Current Designation : MD Microbiology Resident
Workplace : GMC Srinagar, Kashmir, India

When I look back, East West Medical College was where I truly grew up, not just a place where I studied medicine. As a student from the Maldives, I was welcomed into a community that, over six years, became my second home. Living in Bangladesh allowed me to embrace a new culture, build lifelong friendships, and grow both personally and professionally. Those years shaped not only my medical knowledge but also my character, resilience, and outlook on life. I will always be grateful to EWMC for giving me a second home and laying a strong foundation for my journey as a doctor.

Name : Dr. Mueez Mohamed
Batch : EW13
Current Designation : Resident doctor in MS, Paediatric surgery
Workplace : Bangladesh Medical university

“East West Medical College has been the foundation of my journey as a physician, providing not only quality medical education but also instilling compassion, professionalism, and resilience. The guidance of dedicated teachers and the friendships forged during my years at the college remain among my most cherished memories. The clinical exposure and values I gained continue to influence my daily practice and decision-making. I will always be grateful to East West Medical College for shaping me into the doctor I am today.”

Name : Dr. Rishav K. Gupta
Batch : EW 14
Current Designation : Chief Medical Officer
Current Workplace : Neuro Cardio and Multispecialty Hospital
Workplace : Biratnagar, Nepal.

“East West Medical College provided me with a strong academic foundation and shaped my journey from a medical student to a practicing doctor. The guidance of our respected teachers, the clinical exposure, and the supportive learning environment instilled confidence, discipline, and compassion in patient care. I will always remain grateful to my alma mater for the knowledge, values, and lifelong memories that continue to guide my professional career. I wish East West Medical College continued success in nurturing future generations of physicians.”

Name : Dr. Fabyan Bin Ishaq
Batch : EW16
Current Designation : Medical Intern
Workplace : Government Medical College (GMC) Anantnag, Jammu & Kashmir, India
